

Easter Celebration

WHO

All pupils from Foundation to Year 6 were involved in this celebration.

WHY

The Easter celebration gave children the opportunity to learn about and celebrate an important Christian festival in an enjoyable and inclusive way. The activities encouraged teamwork, creativity, and social interaction, while helping children understand traditions linked to Easter.

The day also supported children's wellbeing by creating positive shared experiences and encouraging confidence, participation, and enjoyment across the school community.

WHAT

As part of our Easter celebrations, children took part in a range of fun and creative activities during the day. These included an Easter egg hunt, egg rolling, and a "Pin the Tail on the Bunny" game. Pupils also designed and made Easter cards to share with others.

The children enjoyed a special visit from the Easter Bunny and ended the celebration with a disco, where everyone had the opportunity to dance and celebrate together.

IMPACT

'I liked seeing the Easter Bunny, he hid chocolate eggs for us to find' (Year 2 pupil).

'I liked playing with my friends' (Year 2 pupil).

'It was so fun because we got to make crafts and spend time with our friends' (Year 5 pupil).

'It was absolutely lovely seeing all the children and adults enjoying themselves' (Year 5 teacher).
