

ART GALLERY

WHY

As part of our art curriculum, children from Foundation to Year 6 explored sculpture and three-dimensional form. The activities encouraged creativity, teamwork, and self-expression, while also helping pupils develop skills in evaluating and appreciating the work of others.

WHO

A whole school for pupils from Foundation to Year 6.

IMPACT

'The Form Art Gallery is a wonderful opportunity to celebrate pupils' progress in Art from EYFS to Year 6. It allows pupils to take pride in their artwork, appreciate the achievements of others, and develop critical thinking through evaluations. Pupil voice is also encouraged, as children share feedback and reflect on their learning' (Art Lead / Class Teacher).

'I like looking at different beautiful artwork. I am happy that I have won the competition' (Year 4 pupil).

'It was a lovely event to see the whole school's amazing work' (TA).

'I enjoyed making pumpkins using stuffing and paper mache. I painted mine like a character from *Monsters, Inc.* and added glitter' (Year 5 pupil).

WHAT

Each child created their own form, which was then displayed in a whole school art gallery in our hall. Pupils had the opportunity to view, discuss, and vote on their favourite pieces, celebrating the creativity and efforts of their friends. It was a fantastic way to share ideas, give feedback, and be inspired by each other's work.
