

Red Nose Day 2026

WHO

Whole school

WHY

We wanted pupils to recognise that they have the power to make a difference by raising money for charity.

Working together in our house teams gave us the opportunity to take part in a range of activities with our peers in a range of other year groups.

WHAT

Miss Rosser led a Red Nose Day assembly in the morning, where we could all see each other's red clothes. In the afternoon, we took part in a range of activities, which were selected by the school council after each class shared their ideas. The activities were:

- Decorate a cake or biscuit
- Make your own bracelet
- Soak the teacher
- Disco

Miss Hall also wore a rival football's team shirt, as we raised over £50.

IMPACT

"My favourite activity was the disco, because I love dancing". (Year 4 pupil)

"My favourite activity was soaking the teacher, but Mr Belton was so cheeky and kept throwing the sponges back at us!" (Year 5 pupil)
